

INSTRUCTIONS OF THE DEPARTMENT OF NURSING AND PATIENT CARE ON CLINICAL PRACTICE-2026 FOR 2ND YEAR STUDENTS OF THE FACULTY OF GENERAL MEDICINE

Terms of practice according to the official schedule:

General Medicine 2nd grade: 03.07-25.07.2026

Group representative:

1. Interacts with the head of practice from the university, brings to him information about emergency situations (illness of students, emergency, conflicts, missing etc.).
2. Helps organize the preparation of reporting documents for the group with the chief nurse.
3. Signs in the journal of clinical practice.
4. Assists in gathering students for practical skills classes and final practice credits.

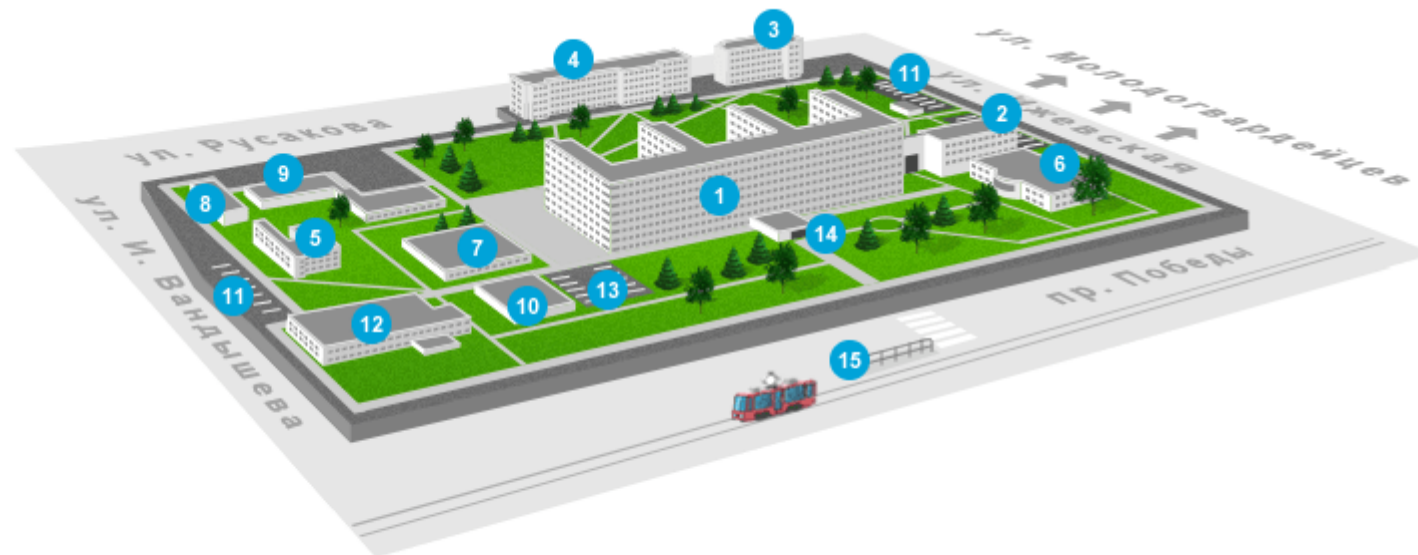

Students:

1. Download the forms of practice diaries from the website of the Nursing and PC Department, print them correctly, and carefully study these instructions.
2. On July 3 **groups 230, 231 and 233** arrive to the Regional Hospital No.3 on time with your practice diaries, student books, medical coats (scrubs) and spare shoes, be instructed in safety at the building 5, first floor (see the map) and get the mark on practice diary title page. After conference with chief nurse (main building -1) you'll be assigned to the department in the subgroups of 3-4.
3. Groups **232, 234 and 235** go 03.07.2026 to the Regional Hospital No. 1 (Vorovsky St., 70). Details get from your supervisor Associate Prof. I. A. Svetlakova.
4. Working week officially lasts 6 days for 6 hours (from 8.00 till 14.00). You will not work on Saturdays, so working day will be prolonged, but the documents **should be filled out taking Saturday** into account. Every day fill date and working time like 07/07/2025 8.00-15.00.
5. Practice diary - the student writes by hand, noting both independent work on the assignment and work in the department, the diary is signed by the head from University (not senior nurse of the department).
6. At the end of the practice (in 1-2 days) receives a mark from the senior nurse of the department in the last page of the diary (reference), and then it is signed by the chief nurse; the SEAL of the hospital is put on title page. If you will violate the working discipline, miss the working days without making up, leave early without permission, you will not be approved.
7. At the final day 24.07.2026 the student submits fully completed and correctly filled practice diary, a credit book. The credit procedure will take place in the hospital.
